aces July 1, according to Coach John D. Kaupiko, Sr., who promises the West Hawaii crewmen a strong set of opponents for the big races.

All Outrigger candidates are asked to be present this morning when Coach Center will give them their first instructions and send them into the water on their first trial spin.

Training will begin in earnest this week, Center said, and will continue for three weeks after which a tentative lineup for the Kona races will be selected. After this intensive training will be inaugurated.
