

Coast Guarder To Carry Crews

Itasca Official Convoy Ship for Races

(Continued from Page 1)

be witnessed later in the month will be seen when the beach rivals clash on the harbor waters.

FUND PLAN

The Honolulu races will be the means of raising the needed funds with which to send the Honolulu crews to Kona. Judging from early interest that is manifest, the turnout August 4 will be a big one.

Pier 2 has been turned over to the canoe clubs exclusively for the August 4 races and admission will be charged. This will be the best vantage point from which to view the races and plans are to admit automobiles to the pier as well as to erect a limited number of reserved seats.

A joint committee representing the three Honolulu clubs is scheduled to meet this week to lay out the programs for the regatta and to approve the time schedule of races. It is expected that the full Kona program of racing will be followed in Honolulu.
