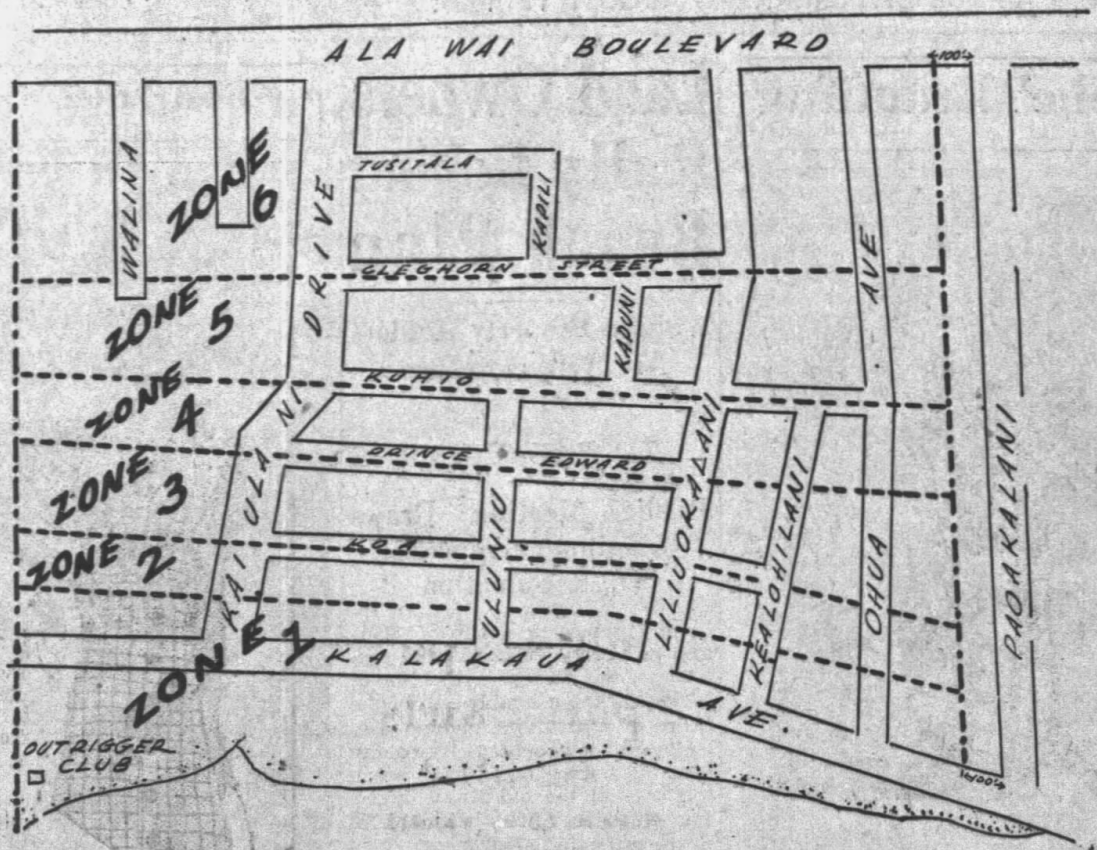
How Waikiki Will Be Assessed



FOR BEACH RECLAMATION—This map of the Waikiki beach district illustrates how the area will be zoned for assessments on property owners to raise $15,000 toward municipal reclamation of ocean frontage for public enjoyment. Property between the Ala Wai and the sea within the ewa boundary of the Outrigger Canoe club and a line 100 feet ewa of Paoakalani street will be assessed, over a 20-year period, the following total amounts per 5,000 square feet: zone 1, $110; zone 2, $30; zone 4, $10; zone 5, $5, and zone 6, $2.50. There will probably be a readjustment of the schedule for zones 1 and 2, so as to ease somewhat the burden on zone 1 property owners.
