

DEANS WIN IN WAIKIKI SWIMS

Under a typically sunny Hawaiian sky, a horde of aspiring swimmers plunged from the rocking sides of brightly painted outrigger canoes, and thrashed their way shoreward through the surf at Waikiki beach Thursday morning.

Competing fiercely in their efforts to win the 1935 titles in the annual Castle open water swims held in front of the Royal Hawaiian hotel, the best performers of eight Honolulu clubs gave the spectators plenty to watch in the four separate races staged.

University of Hawaii amassed the highest score, piling up a grand total of 82 points in the combined men and women's events. However, a strong coterie of game youngsters, Roosevelt school captured the women's trophy, scoring 26 points, and far outdistancing their nearest competitor, the Outrigger Canoe club.

Nakamura Wins

After winning the feature event, the one and one quarter mile Castle swim, for the past three years, the reigning champion, A. E. Minvielle, swimming for Outrigger, was deposed from his throne by a hard stroking youngster from the 40 and 8 club, E. Nakamura.

Nakamura steered a clever race over the difficult course, and made a stirring finish on the shoreward side of Minvielle to win by several yards. A strong field entered in this event made the race interesting to watch, all entries finishing.

Olga Clarke again demonstrated that she is the class of island women swimmers by triumphing almost without effort in the single women's race of the day, the quarter mile canoe surf event. Miss Clarke led all the way. She covered the distance in 7 minutes 15 4/10 seconds, finishing about 30 yards ahead of the others.

There were four races, the mile and a quarter Castle swim, the Public Baths event, and the two canoe surf competitions, one for men and one for women. The course for men was more than 100 yards longer in the canoe surf swim, to make things tougher for the boys.

Good Crowd Present

Considering the early hour and other factors, it was a good sized crowd which gathered in front of the Royal Hawaiian hotel. Sunshine glistened warmly on gleaming trophies and sweating domes of bustling officials alike. A whole fleet of long outrigger canoes was furnished by George (Dad) Center and Gay Harris, referees, to take swimmers to starting positions and handle other details. An incongruous note was struck in the use of an outboard motor on one of the canoes. Massive Duke Kahanamoku earned several laughs when he showed up with a tiny starting gun for his duties as clerk of course and starter.

In the Castle swim, Nakamura of 40 and 8 won after hot competition from A. E. Mineville Jr. H. Sakamoto of the 40 and 8 club was third; K. Kuramoto, UH, fourth; W. Haynes, Outrigger, fifth, and K. McNicoll, unattached, sixth. Time was 31 minutes 26 4/10 seconds.

F. Tanaka of the 40 and 8 outfit finished first in the public baths event, beating Wilbur Craw of the university in a spirited race. Third place was taken by Richard Noda, another university swimmer, while A. Desha, also of the Rainbow team, was fourth. Sonny Kauinana, Citywide, was fifth. Time, 23 minutes 15 seconds.

Hot Battle

Greatest competition of the day, in point of numbers, was produced in the canoe swim for men. "Dad" Center took the boys out a little further than they had expected, and several of the contestants took their time crawling under the finish wire.

Joseph Wins At Ft. Kan

By HARRY M. KIEVE

Jimmy Joseph, 126, C-15, a young man with a "patent applied for" style of boxing, took a micrometer decision over Joseph Woyjack, 126 B-41, in the main event of Ft. Kamehameha's fifth inter-battery smoker held Wednesday night at the King's Post.

Admittedly the aggressor, the surnamed Joseph scored early and often with his potent left, with which he threw, in his inimitable style, quite a few "sneak" punches.

The balance of the card, which was remarkable in that it supplied no 10 count knockouts and but one draw, featured 17 decisions in 22 actual bouts. However, there were seven TKOs, which in a large measure helped speed up things so that the show was over shortly after 10 p. m., taking into account of course, that the first 11 scraps involving Class 4, 5 and 6 boys were run off starting at 1 o'clock in the afternoon.

"Sargey" Bob Law, 160, C-55, the Warriors' flashy, two fisted middle weight king, won an undisputed decision from Dallas (Tex) Bennett, 150, CT-55, in the semi-final.

Judging from his last two performances, Law should about reach his peak in Ft. Kam's final inter-battery championship bouts next Thursday.

The youthful, versatile Jack O'Connell, 159, C-55, swim ace and cinderpath two miler, was held to a draw by the more experienced Frank J. Smith, 160, Hq-41, in the special event.

Other outstanding bouts were:

Al Penkunis' TKO of Donald Cady, heavyweight; the Kelley, 135, vs. Warren, 133, which might have been a draw, and Pacierek, 141, vs. Mench, 138, TKO, which came in 2 minutes 30 seconds of round three. Both matches were chock full of action.

The results:

Following him across the rope were A. Milligan, UH; W. Kelly, Citywide; B. Chollar, UH; R. Hughes, UH; P. Mirikitani, UH; G. Tanaka, Nuuanu Y; D. Butchart, UH; L. Akaka, UH, and S. Tachikawa, UH.

The girls turned out surprisingly well for their canoe surf race, and fought harder than the boys over this course. Olga Clarke's time of 7 minutes 15 4/10 seconds was considered excellent. Betty Stevenson, Roosevelt, and Peggy James, UH, kept right behind for second and third. M. Holden, Roosevelt, was fourth. Next in order were L. Ensminger, Roosevelt; B. Chang, 40 and 8; R. Holden, Roosevelt; S. Tamagawa, 40 and 8; G. Holden, Outrigger, and Annabelle Kane, Citywide.

Trophies Presented

Two beautiful trophies were presented by the Royal Hawaiian hotel, one for winning men's team and one for the women's club. Laura Ensminger received the cup for the women's team, on behalf of Roosevelt school, while K. Kuramoto was presented the men's trophy for the university.

Team total points were: University, 82; 40 and 8, 36; Outrigger C. C., 27; Roosevelt, 26; Citywide, 15; Nuuanu Y, 4.

All details of judging, starting, timing and similar matters were capably handled by the following officials: Referees, George C. Center, Gay Harris; clerk of course, Duke Kahanamoku; timers, C. Slaght, J. B. Clarke, E. Peterson, K. Pratt, M. Fujii and T. Uchiumi; judges, C. Dyer (head judge), S. Fuller, A. Hurd, R. Rath; scorers, De Vis-Norton, C. G. Benny and R. Yempuku.
