The Advertiser Publishing Co., and one of the biggest boosters of the canoe paddling regatta, expressed the hope yesterday that the army and navy, and also the islands of Maui and Kauai would take an active interest in the sport and enter crews in the annual regatta.

When the regatta is held here on June 11, it will be the first time that the races will be staged in Honolulu since the revival and also it will be the first time it will be held in early summer. The dates of the previous races were in late August.

It was announced yesterday that three racing canoes, built under the direction of L. C. Childs, manager of the American Factors in Kailua, have been sent to Honolulu and they may

to right, scoring Afo Pung from second and sending Hans to third. Enomoto forced Mamiya at second. Hans Pung came home on a wild pitch to end the Phone scoring for the game.

The Phones threatened again in the eighth with runners on first and second with none away. Baptist and Mamiya both singled but Nalua forced both Enomoto and Shinagawa to fan, while Shaw sent an easy out to the infield.

MUFF SCORING CHANCE

The Sparklers missed a golden opportunity to knot the score in the first of the ninth. Gleason singled over second and went to second on Charlie Teetai's infield out. Souza, batting for Rosa, singled to right,

The OCC has purchased one of them. The other two are also for sale.
