

Nuuanu Y Team Leading Business Volley League

"Tiger" Leong is credited with being the spark plug that has made the Nuuanu Y volleyball team the smooth-functioning machine it is. The Nuuanu aggregation has been the talk of the Invitational business men's volleyball league, since it was freely predicted before the games commenced that the Oriental outfit would be the "weak sister" of the league.

Only one tough match bars the way of the Nuuanu team up the league championship—the game with the Representative club on March 31. Should the latter organization upset the dope by emerging victors, it might result in three clubs being tied for first place in the final standings. The Lions versus Representative club fracas next Thursday evening also will have a strong bearing on the championship aspirations of the two leading teams.
