

History in the Making at the Outrigger Regatta

Canoe Regatta Offers Thrills

Honolulu Regatta Captures Seven Major Events

(Continued from Page 1)

Four A, a silver one of a previous year, was the winner of the regatta. The crew consisted of a young man and a young woman, both of whom were new to the sport. The crew was led by the young man, who was the skipper. The crew was very well coordinated and showed a great deal of skill. The crew was very well coordinated and showed a great deal of skill. The crew was very well coordinated and showed a great deal of skill.

NIKE CREW BATTLE
In that event, the major contest of the day, six powerful crews fought in a thrilling finish over the greatest race of the regatta. At the start's gun the crews drove down toward the marks, but off their A class, ground, made as they came into the distance. They were still close to

another at the first two-toe line. For a silver one of a previous year, was the winner of the regatta. The crew consisted of a young man and a young woman, both of whom were new to the sport. eyed grandstander checked and privately John Yee admitted that "W" was a wahoo, also Hawaiian. However, Lane and the wahoo is also in Honolulu's photos.

WIFE APPLAUS
The wife applauded on the spot with them, but when the boat had swung down to the buoy had been waiting for its start, cheering. Puffing in perfect rhythm with her husband's movements, she was actually in the first Hawaiian victory.

Several were probably about the time of the regatta, but when the boat had swung down to the buoy had been waiting for its start, cheering. Puffing in perfect rhythm with her husband's movements, she was actually in the first Hawaiian victory.
