The relay race between the Hui Nalu and Beach Patrol—three men to a team, each paddling 100 yards, went to the Beach Patrol trio consisting of "Molokai" Horner, Johnny Ernstberg and Panama Dave. The B. P. team won by 15 yards over Hui Nalu, the only other entry.

Great Treat To Fans

The program from start to finish, was one of the finest of its kind ever offered for the entertainment of visitors at the beach.

Sam Kahanamoku's triumph in the feature event of the day not only brought him possession of the attractive Leeds trophy for one year, but a gold medal as well. Silver and bronze medals went to the second and third place finishers in this event.

Lucrative awards also went to the winners of the other events—all presentations of Mr. Leeds who was unable to attend his regatta because of a minor operation in the Queen's hospital Saturday afternoon.

The popular visitor, however, was informed of the progress of the regatta by a short-wave hook-up direct from a boat from his cruiser to his bedside at the hospital.

Mrs. Leeds Does Honors

Mrs. Leeds did the honors very graciously at the presentation of awards, assisted by Captain J. D. Willson, captain of the Pearl Harbor Navy Yard.

Ben Finney represented the donor of the prizes and also acted as referee of the regatta. Duke Kahanamoku started the feature

men battle it out.

Fans packed the post gym to the overflow Saturday night to see the double-header and were rewarded with two brilliant games. In the first, the Beavers were held to a 14 all tie in the first half. In the second period, their smooth-working quintet managed to pull away by five points and hold it to the final gun.

Both teams used six men in the game that stands out as one of the smoothest of the year. Just 13 fouls were called during the game and only one player was tapped for three.

Forward Sheeley of the Gimlets was the high scorer with 15 points while the Beavers divided their scoring work among all players. "Snowshoes" Schoenke, team captain and center, led the winner's attack with nine points. The margin of victory for the Beavers was their experience and the ability of the veteran crew to go full steam ahead the entire route.

Second Game

In the second game the 19th Infantry Chicks had Brooks, Hinman and Geske warmed to the task and the doughboys made 14, 13 and 12 points respectively. The Chick's first half drive which ended 23 to 14 gave them the victory for the Dragons out-scored them, 23 to 21, in the same period. The three high scorers of the Chicks carried the load.

Homer White ran up 13 points for the losers, while Wimpy Alexa chalked up 11. White's score boosted his season's total to 92 points and puts him way out in front for the Primo trophy. He is averaging nearly 16 points a game.

event of the afternoon after attending the funeral of one of his deputies, Isaac Waiolama, who was killed last week in a shooting fray.

Other prominent beach figures, too numerous to mention, koku-aed to make the Leeds regatta an event that will remain long in the memory of frequenters of the beach and something that will inspire similar programs—we hope.
