

Consolation Race Slated

Canoes Eliminated In Out- rigger Series Will Vie April 2

Because only the four canoes that have accumulated the most points in the Pualani Topping elimination races are sailing this Sunday. Charles Amalu has put up a handsome trophy to be raced for by the five losing canoes next Sunday April 2. This race will be over the old shorter course and will be hotly contested by canoes skippered by Bob Topping, Harry Steiner, John Dee Kaupiko Sr., David Kahanamoku and Charles Amalu.

A great deal of interest has been shown by the general public in these sailing races, and another race for all-Hawaiian canoes, open to all entrants, will be staged on the following Sunday April 9. This race will be over the new long course and will give canoes that did not enter in time for the Pualani Topping races a chance to sail.

Charlie Amalu has donated a gold trophy for this race, and many new entrants are expected to compete for it.

Following this race a celebration is planned for all who took part in the Waikiki beach water sports and the sailing races. All those who plan to attend are asked to get in touch with Hiram Anahu at the Hui Nalu Club or Sally Hale at the Waikiki Beach Patrol and make reservations.
