night's program will see them against Hirose, I. Oda and Bill Neunzig of Maui and Peter Powlison of Citywide.

Later that same evening, Biddulph and Pirie will go to their marks against K. Nakama, his younger and M. Shibuya of Maui and C. Rivas of Citywide.

The Big Five—Hirose, Nakama, Biddulph, Pirie and Wolfe will tangle twice on Friday's program, first in the 200-meters freestyle and again in the 400 meters freestyle.

Biddulph holds a decision over Nakama in the 200 meters in Australia during the Maui star's recent invasion, while Pirie finished in a dead heat with the Valley Islander in the same event of the AAU championship several weeks ago.

These four featured events alone are expected to smoke out a near-capacity house each night. Other thrill-packed events are assured.

A third swimming program featuring the above stars will be presented the night of Wednesday, June 19, at Punahou pool.
