H. B. Campbell, Esq.,
President of the Outrigger Canoe Club,
Honolulu

Dear Mr. Campbell,

Your letter of the twenty-fifth of November last was duly received and read at the Meeting of the Board of Directors of the Women's Auxiliary held on the fourteenth of December. Regret was expressed that the offer of exchanging back the properties sub-leased by each Club from the other had not been accepted, and the following resolution was unanimously passed:-

- RESOLVED: (a) That the Women's Auxiliary should again offer to surrender the Women's lanai premises with buildings and improvements in exchange for that portion of the Helumoa premises now under lease to the Men's Club, without buildings and improvements.
- (b) That the Women's Auxiliary, in case this offer be promptly accepted should reimburse the Men's Club in the sum of \$1,000.00 (One thousand Dollars), that being the purchase price of the Helumoa cottage paid by the Men's Club at the time of the exchange of leases in December, 1914.

The Women's Auxiliary desires to emphasize the fact that all buildings and improvements revert to the Lessors at the expiration of the Helumoa lease in May, 1925. As that lease has three years less to run than the lease of the Outrigger Canoe Club premises from the Queen Emma Estate, the Men's Club would have three years longer use of those buildings at present situate on the Helumoa

H. B. Campbell, Esq.,
President of the Outrigger Canoe Club

premises should this exchange be made as now proposed. Therefore it would seem to be distinctly to the advantage of your Club to avail itself of the present opportunity to remove these buildings, the Bishop Estate having given permission in writing for their removal.

The Women's Auxiliary would say, with regard to the supports on the Ewa side of the Dancing Pavilion and the flight of stairs now situated on the Helumoa premises, that it is quite willing that the supports remain undisturbed, but would request that the stairs be placed elsewhere.

With the property released by the surrender of all rights of the Women's Auxiliary in the Outrigger Canoe Club premises, it would seem as though there should be little difficulty in finding room for the bathhouses and smoking lanai of the men. The Women's Auxiliary has every hope that the offers now made will be accepted by the Outrigger Canoe Club without delay, and that the necessary arrangements will be completed in a spirit of harmony.

I would ask you to present this matter to your Board of Directors at your earliest convenience.

Believe me,

Sincerely yours,

Julie Gadd Swartz

Mrs. F. M. Swanzy,

President Women's Auxiliary
Of the Outrigger Canoe Club,

Honolulu.

Dear Mrs. Swanzy:

Before replying to your letter of January 11 proposing that our Clubs exchange back the pieces of land leased from each other, I have taken the time to talk with and get the views of a number of our members as well as directors.

At the meeting of our Board held January 16 the various aspects of the question were thoroughly discussed and the conclusion was reached that the proposed exchange would be disadvantageous to our Club.

I regret that I am not in a position to make a more favorable reply to your letter, and I wish to assure you that there exists among our directors and throughout our whole membership a very friendly feeling for the Women's Auxiliary. Any other sentiment, if it exists at all, is certainly confined to a very few individuals. I make this statement, after looking into the situation further, to confirm what I said at our conversation the other day, when you suggested that such might not be the case.

When considering this matter of the leases, our Board of Directors was influenced by a desire to do everything possible to meet your views. However, we were forced to the conclusion

1/22/1917.

we reached by two considerations:

(1) Two years ago the Helumoa beach frontage property seemed so desirable to us that we were willing to pay \$1,000.00 for it and go to the further expense and trouble of moving our buildings over to it. Now that we have become settled on it, we value it more than we did at first. Therefore, the original reasons for acquiring it now appeal to us as doubly strong ones for retaining it.

(2) To move over from our original building sites cost us over a thousand dollars, and to move back and make the necessary adjustments and do certain incidental construction work would cost us much more than that. The net result of our moving over and then moving back again would be a waste of several thousand dollars of the Club's funds.

I trust you will appreciate that, under these conditions, our Board of Directors could not see their way clear to accept the proposal.

Yours sincerely,

President.

Dear Sir:—

SWIMMING AND DIVING.

A considerable number of our members believe that the Outrigger Canoe Club has plenty of good material from which to make up a swimming and diving team that could hold its own in competition with the other water-sport clubs of Honolulu. They also want to see the Club come more to the front in aquatic sports.

Your Board of Directors is anxious to do everything possible to increase and encourage the Club's development along these lines, and has appointed Captain "Dad" Center and Secretary Beaven a committee of two to ascertain the desires of those members who take an active interest in swimming, diving, surfing, etc.

The directors are prepared to engage the services of a professional instructor, coach and trainer if a sufficient number of members will agree to enter a class with a view to representing the Outrigger Canoe Club in future aquatic meets. You will readily understand that it would be hardly fair for anyone to accept the benefit of the Club's instructor and then compete as a representative of some other organization.

The next A. A. U. swimming meet will be held in September and we have nice time in which to prepare for it.

The question is: "Shall we organize a swimming and diving team to represent the Outrigger Canoe Club in future competitions?"

As we know you are much interested in active water sports we ask you to meet us IN THE LIBRARY OF HAWAII BUILDING AT EIGHT O'CLOCK NEXT MONDAY EVENING, MARCH 19th, so that we can talk the matter over and decide just what we want to do.

Come and express your views even if you don't anticipate taking an active part in competitions. Those who do enter the class will need your moral support and it will help a whole lot if you show your interest by being present.

Members of the Board of Managers of the Hawaiian Association of the A. A. U. will be present to advise and help us.

Don't forget the date—Monday Evening, March 19th.

Very truly yours,

J. ASHMAN BEAVEN,
"DAD" CENTER.

March 19, 1917.

I regret that I shall not be able to attend the meeting tonight. However, I wish by means of this letter to state that I am fully in accord with the movement to build up in our Club a spirit which it has lacked hitherto. If interest enough exists among our members to justify our doing so, the Board of Directors will back up Captain Center strongly in all efforts he may make to organize and prepare teams to carry the colors of the Outrigger Canoe Club into amateur competition with other organizations.

My dear Mr. Campbell:

The next regular Outrigger Canoe Club dance I notice is scheduled to be given on April 7, 1917, which date happens this year to fall in Holy Week. In many large communities on the mainland it is an established custom, which is becoming more universally observed each year, to postpone social events that might occur during Holy Week until after Easter, giving them preferably during Easter Week, in order not to detract from the deep religious significance of Holy Week.

In accordance with this very wise custom I respectfully suggest and urge that the Outrigger Canoe Club postpone its next regular "Moonbeam Dance" until Saturday, April 14, 1917.

Sincerely yours,

Roger C. Rice

Mr. Roger C. Rice,

My dear Mr. Rice:

Upon receipt of your letter of March 26, I took up with Mr. Dease, Chairman of the Order and Entertainment Committee, the matter of postponing our next "moonbeam dance" from April 7 to April 14. Mr. Dease had already issued tickets and made other arrangements which would make it inconvenient to change the date.

Although we desire to have these dances come without fail on the Saturday night nearest the full moon, we would ^{have} been inclined to fall in with your suggestion if it had been brought to our notice a few days sooner. Under the circumstances, however, Mr. Dease desires to see the dance held in accordance with the present arrangements.

Yours very truly,

President.

Mr. J.A. Beaven,

Secretary Outrigger Canoe Club,

Honolulu, T.H.

Dear Sir:

At last night's meeting of the Board of Directors it was voted that you write the Women's Auxiliary regarding the fence recently placed about the women's lanai and that you attach to your letter as indications of the feelings of our members two documents, viz.:

- (1) A facetious, flippant and very ill-advised letter from E. Lamont to the Women's Auxiliary;
- (2) A letter from E. Lamont to our Board stating that if we did not take certain action a special meeting of the Club would be called for.

Those who voted for this motion were yourself and Messrs. Cooper, Thompson and Ehrhorn. Messrs. Center and Dease voted against it. Before the motion was put I spoke strongly against it. After it was carried I asked you to record in your minutes that I protested very positively against this action being taken and that I considered it against the policy of the Club.

I wish to point out that

- (1) We have no evidence that a considerable number of our members want the Board to take a serious stand on this fence matter;

- (2) That, if our Board desires this fence removed or altered, the proper and gentlemanly way is to so advise the Women's Auxiliary and ascertain their attitude in the matter;

Mr. J.A. Beaven,
3/28/17

2

(3) That to send them the two letters in question can have no effect but to irritate and give offense.

(4) That in doing so we deliberately commit ourselves to a policy of retaliation and friction between two Clubs whose best interests demand peace and harmony.

I am amazed that a Board representing over half a thousand of the best people in Honolulu could so far forget its dignity as to allow itself to be the instrument for passing on letters of such an irritating and unfriendly tone to another important organization domiciled on the same premises.

I am sure that such a method of broaching this question to the Women's Auxiliary would meet with the unqualified condemnation of an overwhelming majority of our members.

My object in writing you this letter is to ask you to defer sending this communication to the Women's Auxiliary for about two days.

I am sending a copy of this letter to each of the members of the Board in the hope that after mature consideration they may come to agree with me that we would be placing ourselves in a weak position by forwarding Mr. Lamont's letters. If a majority of the Board so desire, I purpose calling a special Board meeting at once to revoke the action already taken or consider the situation more carefully.

Although Mr. Lamont's last letter was dated March 10 and addressed to the President and Board, I had no knowledge of it till last night. In order that I may be thoroughly posted, may I ask you to let me have copies of his two letters (or the originals from which I can make copies) as soon as convenient.

Yours very truly,

President.

Outrigger Canoe Club

Honolulu

March 31, 1917.

To the Members of the Outrigger Canoe Club.

Gentlemen:

I enclose herewith a new set of rules, which I hope will elicit your approval and co-operation.

In this letter I shall outline briefly the privileges of the members of this Club and supply certain information connected therewith.

The entire club premises are open to all members every day from early morning till ten thirty at night and later by special arrangements with the Order and Entertainment Committee. This includes the use of the bath houses, kitchen, and all lanais. Moonlight swimming parties are encouraged. If you have never tried it, do so some calm evening and you will discover a new pleasure.

DANCING AND SMOKING LANAIS. As we take pride in our dancing floor, we wish to protect it by barring from that lanai bathing costumes, smoking, children's frolicking, etc. Dancing is in order at all times except Sundays. The smoking lanai was designed as a place where our men could lounge at their ease.

KITCHEN AND CEMENT LANAI. Members may bring lunches and warm them up in the kitchen free of charge. Tea will be furnished for the asking. The commissary is supposed to be non-profit making, and will carry on hand any provisions for which there is a demand. After a moonlight swim hot tea or cocoa will be found well worth the trouble of preparation.

SURF BOARD LOCKERS are provided at a charge of fifty cents a year for each board.

GUESTS. Any member is always privileged to bring one or more guests to the Club. Unless he has obtained a card for them, it is expected that he shall accompany them. There are no restrictions on the hospitality he may offer such guests except in the use of the bath houses, where there is a special schedule of charges, applying to both men and women guests, as follows:

(1) Without charge, a member may extend the bath house privilege to guests twelve times in one year. He must register with the Club steward each time. After the twelfth time, he must pay twenty-five cents each time.

(2) Any member may obtain guest cards for one or more guests for periods ranging from one month to one year. This privilege does not include male guests who are local residents. Written application should be made to the Club Treasurer for such a guest card.

For women guests, a special bath house has been erected, and this is in charge at all times of our chaperon, Mrs. J. D. Jay. A women's comfort or rest room, adjoining the cement or hau tree lanai, has been provided for our women guests. Please note that a guest card does not entitle its holder to entertain or offer the hospitality of the Club to others who are not members or guests.

CANOES. The Club owns fourteen canoes -- six of three or four passenger capacity, one for six passengers, three for eight passengers and four for ten or eleven passengers.

These canoes are for the free use of members at all times. A member may take out any Club canoe at any time. He must first sign for the canoe and paddles in the canoe book left with Sasaki. If desired, a professional steersman can be hired at the rate of fifty cents per hour per passenger.

In addition to the Club canoes, there are now on our grounds three canvas canoes and four Hawaiian canoes.

CARNIVAL FLOAT. The Outrigger Canoe Club entered a float in the Water Pageant. It represented a wave carrying two surf board riders, and took first prize. Captain Center shares the entire credit for this float with certain of our younger members who assisted him. They unselfishly devoted themselves to this work, facing many difficulties and finally getting their suits ruined in the oily waters.

Captain Center's assistants were: L. Andrews, H. Bonner, Ernest Cook, Edric Cook, H. Harvey, C. Lambert, J. H. Pratt, Jr., and S. Stacker.

MOONBEAM DANCES. Our next "moonbeam" dance will be held April 7. These dances have now become an established feature. They have been an unqualified success from the start. The sale of tickets is restricted to members of the men's and women's clubs -- for themselves and their guests.

Yours very truly,

H. B. CAMPBELL,

President.

Mr. E. Lamont, a member of the Club, has asked the Board of Directors to request the Women's Auxiliary to remove the wire recently put around their lanai. If they refuse he wants us to retaliate by barring the members of the Auxiliary from our lanais, etc.

As the Auxiliary are fully within their legal rights in placing this fence there, it is more than possible that a request to remove it just now would be refused.

Mr. Lamont states that, if we do not take action, he and others will call for a special meeting. He states that our members are very indignant over the erection of this fence.

For my information, will you kindly answer the following question:

Dear Sirs:

It is a custom of this Club for its President, towards the end of the fiscal year, to appoint a "nominating committee," for the purpose of providing the voting members with names of persons selected, after careful consideration, as suitable for the offices to be filled by the annual election. In addition to these names, of course, any member may make other nominations at the annual meeting.

I now take the liberty of asking you gentlemen to serve in such capacity this year, Mr. Soper acting as chairman of the committee.

There are nine offices to be filled, as provided in Section 12 of our By-Laws. I suggest that you nominate two men for each office (eighteen men in all), first obtaining the consent of each to serve if elected.

The annual meeting will probably be held on a Saturday afternoon the latter part of July, as may be decided by the Board of Directors.

The Outrigger Canoe Club.

Gentlemen:-

A fence has been placed around that part of the Outrigger Canoe Club premises controlled by the Women's Auxiliary, and it is naturally to be presumed that it is placed there by the consent and authority of the management of the Women's Auxiliary.

Whilst it is the undoubted right of the Women's Auxiliary to erect and maintain this - or any other barrier they see fit, I can see no earthly reason for the exercise of this right other than the desire to exclude members of the Outrigger Canoe Club and their guests from entering the Women's lanai or stepping upon the land surrounding it.

There is a strong feeling among members of our club that we should assist the ladies of the Women's Auxiliary to enjoy the complete exclusiveness they so evidently desire, and to attain this end I venture to suggest that the Outrigger Canoe Club complete the work the Women's Auxiliary have so kindly started by erecting a really effective fence, barrier, corral, pen, or whatever you like to call it. The present fence is of wires strung between posts and is only some three feet in height. We can peep thry or jump over this fence, and it certainly must be most annoying to the ladies to have this awful possibility open to us. If this fence were, say nine feet high, of solid boards, barbed-wire topped, none but the most athletic or acrobatic of our members or guests would be able to embarrass the ladies of the W. A. with their presence or glances. Such a barrier could be erected on our grounds and it would be a gracious act on our part to relieve the W. A. treasury of the expense of this most effective aid to exclusiveness.

It is also the sense of many of our club members that we further relieve the W. A. of the annoyance and embarrassment of close proximity to the presence of ourselves and guests. We have a beautiful dance pavilion overlooking the ocean; a smoking lanai with a similar ~~prospective~~ perspective; a large and cool refreshment and lounging lanai for the entertainment of ourselves and friends at luncheon and supper parties a well equipped kitchen; a comfort room for our lady guests, and a very useful commissary store. We and our guests have hitherto presumed to enter upon and use these facilities of our club even at the same time and in the presence of the Women's Auxiliary. If the Board, thru its Order and Entertainment Committee or its House Committee - whichever has jurisdiction - would notify all members of our Club to refrain from entering upon or using these facilities, I feel sure the members would gladly acquiesce as long as the Auxiliary ladies are made happier by the unrestricted and exclusive use of the several little conveniences mentioned, which have been made possible by our contributions and by the enthusiastic work of our officer members. On the other hand it might be more simple to bar the Auxiliary ladies from the use of these facilities unless especially invited and accompanied by a member of our club, but that would be contrary to the uniform courtesy which we have always extended the Women's Auxiliary, and might be construed as a retaliatory measure. But, gentlemen, two wrongs do not make a right, and I doubt if the members of the O. C. C. would stand for such a move.

You will notice that I have not included our bath-houses in the list of facilities which should be restricted to the use of the Auxiliary ladies: I feel that our members should reserve these for themselves and their guests. Neither have I suggested that our members should be excluded from the ocean, but I would gladly include this if we had the whole say as to who should and who should not use the heaven-provided facility which enables men to perform that exercise which is next to Godliness.

In order that the Women's Auxiliary may again become acquainted with the courtesy which has always characterized our dealings with them, I have taken upon myself to mail their directors a copy of this letter.

In this letter I am speaking on behalf of a considerable number of Outrigger Club members, whose signatures would be gladly forthcoming if you so desire.

Respectfully,

(Sgd) E. Lamont.

Honolulu, T.H., March 10, 1917.

To the President and
Board of Directors,
Outrigger Canoe Club.

Gentlemen:-

Following up my letter of February 28th referring to the fence placed around that part of the Outrigger Canoe Club premises controlled by the Women's Auxiliary; I am informed by your Secretary that at a meeting of the Board held on March 6th, my:- "letter was read and ordered placed on file." This, I take it, means that you do not intend taking any steps in the matter.

If this is so, I must confess that I, and the other members who resent the placing of this fence perhaps more than I do, feel greatly disappointed. We were in hopes that the official representatives of the Club, its Board of Directors, would take care to make known to the Women's Auxiliary the keen resentment which a large portion of the club members feels at this latest cutting insult, and would take such action as might be necessary to induce the ladies to remove this fence, or carry their apparent desire for exclusiveness to its logical conclusion.

There has been no desire to force our presence, or that of our guests, on the women of the club next door. On the contrary, our members have always been most generous and courteous in granting to the Auxiliary ladies the unrestricted use of our lanais, pavilions, commissary and kitchen, and I am sure none has knowingly or intentionally said or done anything that would tend to hamper our neighbors in the fullest enjoyment of these facilities, not even when, as has frequently happened, the ladies have practically monopolized our lanai upon the occasion of many supper parties and social entertainments.

But, gentlemen, when the Auxiliary ladies reciprocate these courtesies with such a flagrant and uncalled-for slap in the face as the barring of ourselves and our guests

from stepping within hailing distance of their lanai by the erection of a fence which is so placed that our lady guests have to take a flying leap from the lagoon retaining wall in order to get to the ocean - or take the only alternative of parading in their bathing suits between the two lanais and listening to the sneering remarks of the members of the W.A.; when they so place this fence that our lady guests trip, stumble and fall over it, then, to my mind, they lose all right to further courtesy or consideration on our part.

Out of a desire not to handicap or embarrass you in handling this matter, I refrained from sending a copy of my former letter to the Women's Auxiliary, and I am tempted to regret now that I did not send it.

I now respectfully beg to request that you frame and enforce a rule excluding members of the Women's Auxiliary from any part of the Outrigger Canoe Club premises which they have no legal right to use, also from our lanais, pavilions, kitchen, commissary, bathhouses and dressing rooms, unless personally invited and personally accompanied by a member of the Outrigger Canoe Club.

If you feel any hesitancy about doing this and would prefer that a special meeting of the Club be called to take such action as it may deem proper, I will be glad to see that a petition calling for such a meeting is signed by the required number of members.

I want to assure you, gentlemen, that this matter will not be allowed to slide along without some positive action being taken, and I really believe that if the Board does not act the members will take the matter into their own hands with some possibly unpleasant results.

Respectfully,

(Sgd) E. Lamont.

Dear Sir:-

Permit me, as a member, to protest against the letter head used by the club - particularly in regard to what seems to me to be decidedly out of place, viz: the whole address, place of business, firm name and so forth of the Secretary.

That it might facilitate matters to give the names, addresses and telephone numbers of the officers is admitted; but why the whole left hand-corner should be given up as it is to the full designation of the Secretary, I cannot understand. It seems to me rather to savor of advertising.

I doubt if any other club note paper could be found which so conspicuously displays its officials and suggest that a Post Office box be rented and that the paper bear the club motto, P.O.Box ---, Honolulu, all communications being addressed to the club.

Yours very truly,

The Nominating Committee appointed by me as announced at the last meeting of the Board of Directors has reported as per the attached copy of their letter to me.

Dear Sir:

This will serve to acknowledge receipt of your letter of June 30 advising me of the names selected by you for nomination for next year's officers.

I wish to thank you and the other members of the Committee for the attention you have given this matter, and to express my appreciation of the trouble you have been put to in finding eighteen men who would be willing to serve if elected. The interest you have shown in this connection and your good judgment in the selection of the nominees will assuredly prove of great advantage to the club in the ensuing and following years.

Dear Sir:

In accordance with your suggestion the Board of Directors decided at its last meeting that the annual meeting should be held at the Library of Hawaii at eight o'clock Tuesday evening, July 24. This is to inform you that the Librarian has advised me that the meeting room has been reserved for us at that time.

As a matter of form, will you please let me have an acknowledgment of my letter of July 2 regarding the nominations for the annual election.

As you know, Sasaki keeps a check on the number of times each member utilizes his bath house privileges by means of a set of cards. He tells me that since these cards were supplied him you have never made any changes or additions to keep them up to date. As this matter involves the handling of cash and accounting therefor, being Sasaki's only guide as to whether to charge or not, and as just at this time of year is when a check is most required, I consider it

Mr. J. A. Beaven 2

important that this set of cards be brought up to date without delay.

These cards were made out from a list supplied by you for the purpose, from which it has been found a number of names are missing. I think it would be well, therefore, to check over the whole set of cards. If it is not convenient for you to give this your immediate attention, I will see that it is done if you will be good enough to supply me with the necessary data.

Dear Sir:-

I have your letter of even date and in reply beg to state that I personally went to the Library of Hawaii to attend to the reservation of the lecture hall for the night of July 24th, and found that reservation had already been made by someone else on behalf of the Outrigger Canoe Club.

Your letter of the 2nd inst., enclosing copy of a report made to you by Mr. W. H. Soper, was duly received.

In regard to the card system kept by Sasaki, I beg to say that in every case of a new applicant for membership, the applicant has been furnished with a card containing his name and locker number, with instruction to present same to Sasaki upon the occasion of his first visit to the Club. I was not aware that you expected me to keep Sasaki's card system up to date, but presumed that that would be attended to either in the Commissary or by the Treasurer. However, I enclose a new locker list made up to July 6th, and any necessary changes in the card system can be made from this. I am sorry that every moment of my spare time is taken up with other Outrigger Club work and I cannot personally attend to this extra duty just at this time.

Sincerely yours,

July 11, 1917.

Mr. W. H. Soper,
Chairman Nominating Committee
Outrigger Canoe Club,
Honolulu.

Dear Sir:

Referring to the statement made to you that the validity of your Committee had been questioned, I wish to write you as follows.

I sincerely regret any embarrassment you and your associates may feel over the raising of such a question. Particularly is this so because I selected you three gentlemen for this committee on account of your high standing in the community and the trust which your fellow members of the Outrigger Canoe Club would place in your nominations. I assure you, however, that there has not been the slightest irregularity of any kind. I am informed, moreover, that the person or persons interested have abandoned their efforts in this direction on account of failure to secure signatures to their paper.

I understand this paper took the form of a protest against my having appointed a nominating committee, on three

grounds, viz.:

- 1) that it was unconstitutional;
- 2) that it was contrary to precedent;
- 3) that it was against the best interest of the club.

Although you know of your own knowledge that none of these points is well taken, I wish as a matter of record to here take occasion to dispose of them.

1) Our by-laws do not provide for nominations in any way. The word is not even mentioned in them. Therefore, the contention that a nomination made in any way whatsoever is unconstitutional would hardly have any basis. There is no ^{technical} ~~textual~~ reason why any director or any member of the Club should not appoint a nominating committee if he saw fit.

2) Mr. Ford, the first President of the Club, appointed a nominating committee.

Judge Dole, the second President, appointed a nominating committee at the annual meeting.

Judge Weaver, the third President, does not remember how the nominations were made at the close of his term.

Mr. Tuttle, the fourth President, informs me that with the exception of last year he also appointed a nominating committee. This is confirmed by my distinct recollection of his doing so while I was on the Board of

Mr. W. H. Soper 3
7/21/17

Directors. Therefore the second point, that it was "con-
trary to precedent", does not seem to hold good.

3) Whether an action is to the best interest
of the Club or not is a matter of judgment. The judgment
of the President of the Club ^{on this subject} should have considerable weight
with its members.

At the Board of Directors' meeting held on June 19,
1917, I notified the Board that I had appointed you three
gentlemen as Nominating Committee, and read the letter of
appointment which I had written you. On this occasion there
was no dissenting voice. It should be regretted, therefore,
that any member of the Board should at this late date attempt
to discredit in any way what has been done.

Yours very truly,

President.

Section 62. No member whose dues for the current fiscal year have not been paid shall vote at any meeting of the Club.

HONOLULU, T. H., July 20, 1917.

TO THE MEMBERS OF THE OUTRIGGER CANOE CLUB.

GENTLEMEN:—In view of the unfortunate differences which have been created among many members of the Outrigger Canoe Club during the past few weeks, and which threaten to disrupt the smooth and harmonious conditions which have obtained since the settlement of the question of providing dressing room facilities for our ladies, we beg to suggest that you give your serious consideration to the election of a staff of officers and directors whom you may reasonably depend upon to work at all times for the best interests of our Club.

After much careful thought we believe the following will meet with the approval of a large majority of the Club membership:

J. Ashman Beaven, for President;
Guy H. Buttolph, for Vice-President;
P. H. Deverill, for Secretary;
L. C. Thompson, for Treasurer;
G. D. Center, for Captain;
F. C. Mighton, for Chairman of House Committee;
Chas. E. King, for Chairman of Order and Entertainment
Committee;
F. G. W. Cooper, for Director;
Alexander J. Porter, for Director.

These men, we believe, are thoroughly representative of the various elements and interests of our Club membership and, by virtue of their long association with and intimate knowledge of our Club affairs, are well qualified to carry on the splendid program of expansion and progress which has become characteristic of the Club.

Considering the qualifications of the above men in the order named: no one can doubt the keenly intense and unselfish interest Mr. Beaven has shown in our Club affairs during the nearly five years he has devoted to the arduous duties of secretary. It is universally acknowledged that he is the best secretary the Club ever had. Since 1912 he has proven himself a sturdy and consistent champion of everything that tended towards improving the Club and adding to the pleasure and comfort of its members. When conditions called for a leader it was he who took the reins and guided us to success, and we, who know him intimately, know that no thought of antagonizing or embarrassing any kindred organization ever entered into his head. His aim is and always has been that the Outrigger Canoe Club should afford the

greatest amount of pleasure and benefit to the greatest number of our members. This has been especially evident during the times when it has been necessary to provide bathing accommodations for the women of our members who could not be accommodated by the Women's Auxiliary; and also in his persistent and consistent efforts to encourage aquatic sports. In this connection we cull the following from his report for the year ended December 31, 1914, in which he said:

'I have a most hearty aloha for the boys, and I hope it will be many years before another eighteen of them lose their membership through non-payment of dues. We need the boys, and the boys need the manly and healthful uplift that the Outrigger Canoe Club affords them. To them we must look for the future development of the Club, and upon them we must depend for the maintenance and perpetuation of Hawaii's and the world's greatest water sport. It seems to me that the Outrigger Canoe Club should by all means encourage our boys in every possible way to become proficient in board and canoe surf-riding. We owe it to Hawaii; we owe it to our boys; and in this connection I would urge that healthful and friendly rivalry and competition be fostered among them. I believe this can be brought about by the award of prizes and honor emblems for proficiency in all branches of water sports, canoeing, surf-riding, swimming, diving, water-polo, and so forth. Let's pay more attention to this phase of our Club's opportunities and have an organized sports department. You have a splendid Captain in Mr. G. D. Center, and one who has proven himself eminently qualified to conduct this branch of the Club's work, but he must have the active and hearty assistance of many senior members. Your moral support will help, but your active coöperation will count more in achieving results. Get in close touch with our boys and you'll find that while you are doing them good they will make a better man of you.

And again, when recently Captain Center informed the Board that the younger members of the Club were ready to organize a swimming and diving team, it was Mr. Beaven who promptly volunteered to and did render telling assistance to Captain Center and the boys in establishing themselves. He may be depended upon to give just as hearty support to this branch of the Club as he has to others.

Mr. Beaven's years of earnest devotion to the best interests of the Club certainly entitle him to your support for the presidency, and you may be sure that he will be ever on the alert to protect its interests.

Mr. G. H. Buttolph, who was elected Vice-President in January, 1915, has held that office ever since. Absolute fairness has always characterized his actions and his keen judgment, dignity, and sound common sense has made him a valuable and efficient officer. He has many times proven himself the balance-wheel

when complex questions have arisen, and should be retained. We hope Mr. Buttolph will be re-elected Vice-President.

Mr. Deverill is a well known and popular member of long standing, who has always taken a deep interest in the affairs of the Club. We believe the Club is fortunate in having secured his consent to accept the position of Secretary, and we confidently predict that he will prove an efficient successor to Mr. Beaven.

"Tommy" Thompson, who succeeded Mr. H. B. Campbell, when he resigned as Treasurer in May, 1916, has made an efficient and energetic officer. The funds of the Club have been carefully and well handled by him and he should be re-elected.

"Dad" Center's efficient captaincy of the Club; his popularity with the entire membership; his enthusiastic work in the development of surfing, swimming and diving, and his undoubted superiority in all branches of water sports, as well as his expert knowledge of canoes and canoeing, entitles him by all means to remain in the office which he has so adequately filled for years.

Mr. F. C. Mighton has accepted the nomination for Chairman of the House Committee, a position which calls for a great deal of personal attendance and hard work at the Club grounds. The mere fact that he is willing to assume this office is ample evidence of his hearty interest in Club matters. We gladly endorse Mr. Mighton for this office and pledge him our support.

Mr. Chas. E. King, for Chairman of the Order and Entertainment Committee, is one of the oldest members of the Club. So much of the comfort and pleasure of members depends upon this committee (which has the making of rules and regulations governing the use of the lanais, pavilions, etc., in its hands) that it calls for the services of a man of liberal judgment, broad mind, and an intimate familiarity with the needs and desires of those who make constant use of the Club's equipment. Mr. King possess all these requirements and we feel that with him at the head of this committee the general happiness of the members and their guests will be well cared for. He is a man of mature mind and is well qualified to look after this phase of our Club.

In supporting Mr. Fred. Cooper for reelection to the directorate we are mindful of the many years of valuable service he has given to the Club. His ever willingness to devote his time,

and his peculiar knowledge of building and equipment, have been of material help in the consistently forward development of the Outrigger Canoe Club. In point of service on the directorate he is the oldest and most useful member. He has been foremost in lending his aid to Captain Center and to every other officer of the Club. His experience as former member and Chairman of the House Committee, and as a member of the Board of Directors during six of the past seven years, has given him a thorough knowledge of the Club and its affairs, and makes him probably the best qualified member of the Club to take part in its management. Mr. Cooper should be returned to the board for the coming year.

Mr. Alexander J. Porter, who was elected a director at the last annual meeting, has filled that office with credit to himself and the Club. He has at all times been a keen and fearless worker for the good of the members generally. He is a man of strong convictions and has the courage to stand by them. His judgment has been sound and logical and he has ably represented those who elected him a year ago.

In conclusion we wish to emphasize our conviction that the election of the officers and directors named will insure a continuance of progress and success, and the maintenance of good fellowship among Club members, guests and neighbors.

Very sincerely yours,

Dear Sir:

I hereby appoint you a Proxy Committee of One to serve at the annual meeting of the Outrigger Canoe Club to be held this evening, your duties to be as follows:

To act as a referee in cases of protests or challenges of proxies and to render decisions thereon. If your decision in any case is not found acceptable, you shall refer the question to the Chair, who shall rule on it. From the ruling of the Chair, a final appeal may be made to the house.

A copy of this letter is supplied the Secretary, who will refer all questions requiring decisions about proxies to you.

Yours very truly,

President.

July 24, 1917.

To the Members of the Outrigger Canoe Club,
Honolulu.

Gentlemen:

The life of the club during the past year has been distinguished in three important respects.

One of these is the change made in our by-laws for the purpose of enabling our members to offer the club privileges, including bathing accommodations, to their guests of the gentler sex. This innovation has proved a popular one and is an undisputed success. There can be no question as to the policy of the club being definitely established in this matter.

A second characteristic of this year's club life has been the series of Moonbeam Dances given by the club under the auspices of the Order and Entertainment Committee. These affairs are now looked forward to as regular events, and, in my opinion, inspire in many members an additional interest in the club.

The third feature of our club life which has made itself especially evident has been the crystallization among our younger members of a desire for team work.

taking over from them the Women's lanai and returning to them the land on which our smoking lanai and bathhouses stand. This proposal was not accepted. Later, under date of January 11, 1917, the Women's Auxilliary made us a similar offer with the provision that this club should receive as additional consideration the sum of \$1,000.-.

In order that you may see just exactly how the club stood then, and stands now, in this connection, I quote from my letter to the President of the Women's Auxilliary, dated January 22, 1917, as follows:

At the meeting of our Board held January 16 the various aspects of the question were thoroly discussed and the conclusion was reached that the proposed exchange would be disadvantageous to our club.

When considering this matter of the leases, our Board of Directors was influenced by a desire to do everything possible to meet your views. However, we were forced to the conclusion we reached by two considerations:

- 1) Two years ago the Helumoa beach frontage property seemed so desirable to us that we were willing to pay \$1,000.- for it and go to the further expense and trouble of moving our buildings

over to it. Now that we have become settled on it, we value it more than we did at first. Therefore, the original reasons for acquiring it now appeal to us as doubly strong ones for retaining it.

- 2) To move over from our original building sites cost us over a thousand dollars, and to move back and make the necessary adjustments and do certain incidental construction work would cost us much more than that. The net result of our moving over and then moving back again would be a waste of several thousand dollars of the club's funds.

I trust you will appreciate that, under these conditions, our Board of Directors could not see their way clear to accept the proposal. -----

My personal opinion on this subject is that our entire beach frontage is so essential to us that almost no consideration should induce us to give up a foot of it.

This year for the first time our Order and Entertainment Committee has come into its own. At my suggestion provision for such a committee was made in the present by-laws which were adopted a year and a half ago. This committee has worked in close co-operation with the House Committee.

I wish to express my keen appreciation of the unselfish work which the heads of both these committees have done for the club. In addition to their own personal work they have made it pleasant and agreeable for the other members of their committees to co-operate with them, thus increasing the scope and effectiveness of their service.

Respectfully submitted,

President.

REPORT OF THE CHAIRMAN OF THE HOUSE COMMITTEE
TO THE
BOARD OF DIRECTORS AND MEMBERS OF THE OUTRIGGER CANOE CLUB

The House Committee appreciates the assistance and support it has received from the members of the Club during the year and extends its thanks.

During the year necessary improvements in various ways were installed in the commissary, lanais with occasional repairs to bathhouses, showers, benches and other fixtures of the Club.

Three new benches have been purchased and additional chairs and tables furnished for the lanai. The roofs of all buildings have been thoroughly painted. A new life line with new floats was installed; these floats are arranged so as not to cut into the life line which was the great drawback in the past using square floats. The commissary has been equipped with new shelving, and a new soda fountain has been installed. A water coil has been fitted into the soda fountain so that ice cold water for drinking can now be had.

A bathhouse for the use of lady guests of members has been built during the year. It has been in much demand and only lacked the facilities of taking care of the suits and towels of those using it. So great a demand was made for this convenience that a new addition was built to the house within the last month into which over four hundred open suit boxes have been installed and a large drying yard has been added the full length of the building on the lagoon side. Two tubs

for washing the suits and towels of the guests have been installed. A Japanese woman caretaker has been engaged and will attend to the necessary work.

Much of the grounds around the lanai has been beautified by supplying plants and flowers in painted tubs, and the grass has been much improved by a dressing of soil and the use of fertilizer, giving the club a cheerful look which has pleased many members.

It had been the intention of the committee to start filling in part of the lagoon, and this was granted by the directors of the Club, but owing to some misunderstanding of the Waikiki reclamation scheme, ~~in~~ which it was understood ~~was~~ to take care of the lagoon, the matter remained an uncertainty until it was too late to procure the necessary filling material. The partial filling of the lagoon is an absolute necessity not only from a health standpoint, but also to give the Club a larger area to build ^{on} and I recommend that the incoming Board of Directors give this important matter serious consideration, cooperating if possible with the hotels.

In retiring from office as Chairman of the House Committee I wish to again thank the members for their cooperation and support, and I herewith take the opportunity to thank the gentlemen who acted with me on the House Committee.

Respectfully submitted,

A handwritten signature in cursive script, reading "Edw. M. Ehrhorn".

Mr. Alexander Hume Ford,
Argonaut Hotel,
San Francisco.

Dear Sir:

I was very glad indeed to get your note from the "Maui" which reached me the day before our annual meeting. Joe told me he wirelessly you the result, and you were doubtless glad to learn that at a record-breaking meeting the whole Harmony Ticket was elected by an overwhelming vote. The other side made a pitiable showing and were very silent at the meeting. I have heard very little expression of bitterness since the meeting, and have had congratulations and expressions of confidence from all sides.

This year I am going to try to get things going so satisfactorily that no one will be in a position at the end of the year to stir up trouble.

I shall await news of your movements and plans with the greatest interest, and sincerely trust that you will return to Honolulu as I feel the sphere of your usefulness must be greater here than it could be elsewhere.

Sincerely yours,

Honolulu, T. H.,
July 30, 1917.

Mr. John Guild,
c/o Messrs. Alexander & Baldwin, Ltd.,
Honolulu.

Dear Sir:

As I have not seen you since the recent annual
Outrigger Canoe Club election I wish to take this means of
expression my appreciation of the stand which you took in
that connection.

Even when one knows one is right one greatly needs
the moral backing of the right kind of people, and your support
(in this case both moral and material) was of the greatest
value.

I hope that this year the affairs of the club will
so adjust themselves as to guarantee future immunity from the
unpleasant conditions we have just escaped.

Yours very truly,

July 26, 1917.

Mr. Cornell S. Franklin,
Executive Building,
Honolulu.

Dear Sir:

Permit me to thank you for the service you rendered the Club at the recent annual meeting in the capacity of referee on proxies.

A number of members have commended me for appointing such an official and for the happy selection of yourself to act.

Yours very truly,

President.

Honolulu, T. H.,

Mr. W. H. Soper,
Hawaiian News Company, Ltd.,
Honolulu.

Dear Sir:

I wish to express my appreciation of the part you took in connection with the recent annual Outrigger Canoe Club elections. At the sacrifice of very considerable time from your regular affairs you assumed a great deal of responsibility and faced rather unpleasant situations in a manner which, I am sure, has resulted to the very best interest of the club.

I regretted seeing you forced into the campaign, as it were, but was very much gratified that some one of your ability and standing should take matters in hand.

I believe you have been to a little expense for printing, etc., and should be glad to have the bill sent to me personally for payment.

Yours very truly,

THIS AGREEMENT, made and entered into this 21st day of June, 1917, by and between HENRY L. KNAGGK, of Honolulu, City and County of Honolulu, Territory of Hawaii, hereinafter called the "Contractor, of the first part, and THE OUTRIGGER CANOE CLUB of the same place, by Edward M. Ehrhorn, chairman of its House Committee, thereunto duly authorized by resolution of its Board of Directors on June 19th, 1917, hereinafter called the "Employer" of the second part;

WITNESSETH:

1. That for and in consideration of the sum of Five Hundred Dollars (\$500.00), to be paid to said Contractor by said Employer as hereinafter provided, the said Contractor hereby agrees to furnish all labor and material for and to fully complete the erection of an addition to the building on the premises of the said Employer at Waikiki, Honolulu aforesaid, known as the "Women's Dressing Room" in accordance with the plans and specifications attached hereto and made a part hereof, and to complete said addition within fifteen (15) working days from the date hereof.
2. That for and in consideration of the faithful performance and observance of the conditions set forth in paragraph 1 by said Contractor, the said Employer hereby agrees, upon completion and acceptance of said addition, to pay to said Contractor said sum of Five Hundred Dollars (\$500.00) in gold coin of the United States of America.
3. It is mutually agreed by and between the parties hereto that said contractor shall furnish everything necessary for the full completion of said addition, whether or not such necessary things are specifically mentioned in said plans and specifications.

IN WITNESS WHEREOF the said parties hereto have hereunto set their hands and seals the day and year first above written.

Mr H.B. Campbell
President Outrigger Canoe Club -

My dear Campbell

Joe votes me that the "Harmony ticket" is elected overwhelmingly. I can't calculate you, the directors + the Outrigger Canoe Club. After ten years the Club has found itself and from now on I know it will be true to all that is best in it.

I am with drawing, my sole work for the remaining years of my life is that of the Pan Pacific. In the Outrigger I must always be an element of discord, + thank God that is no longer needed; you have found yourselves. I won't be in Honolulu as often as before, my work is around the Pacific, the play

Mr. H.B. Campbell,
Pres., Outrigger Canoe Club,
Honolulu.

Dear Sir:-

You asked me to render a decision in connection with the matter of Duke Kahanamoku's elibility to compete for the Outrigger Canoe Club, and in reply would say that Article XI, Section 3, of the Constitution of the A.A.U. (1917 edition) should be interpreted to mean that an amateur should be allowed to compete for not more than one club during one (1) year, regardless of the date of expiration of his registration. This ruling is confirmed by a decision received by wire from Mr. F.W. Rubien, a copy of which I beg to enclose herewith.

Trusting that this ruling will serve to clear the atmosphere, I am

Yours very truly,

Mr. John H. Soper,
Chairman, Registration Committee, A.A.U.,
Honolulu, Oahu.

Dear Sir:

Referring to your letter of yesterday,
regarding the standing of Duke Kahanamoku:

I appreciate and thank you for the attention
you have given my inquiry. However, permit me to point
out that your only reply so far has been to confirm or quote
a part of section 2 of Article X of the A.A.U. Constitution,
which, it seems to me, is very plain in itself. Only by
inference can your letter be assumed to dispose of the
specific case referred to you.

My question is: May Duke Kahanamoku swim for
the Outrigger Canoe Club in the coming Meet? Your letter of
yesterday says neither yes nor no. You are familiar with all
the data in the case. In view of the delay in getting this
question answered so far and of the prominence of the swimmer,
and of the uncertainty cast on the case in this morning's paper
so far as one day of the Meet is concerned, may I ask you for
an immediate and categorically answer to my question above put?

Yours very truly,

Resident

Mr. Chase.

This ought
to be included in
the file I gave you.

J. R. GALT,
HONOLULU.

August 21 1917

Mr. H. B. Campbell, President
Outrigger Canoe Club
Honolulu, T. H.

Dear Sir:

In accordance with your telephone request, I have interviewed both Mr. Young and Mr. von Hamm in regard to the property under their control at Waikiki, directly adjoining the Outrigger Club on the Waikiki side.

I understand from them in substance the following:

They hold control of this land under lease from the Bishop Estate.

At the request of the Hui Nalus they are going to allow the erection of a clubhouse on this land near the beach directly adjoining the Outrigger Club's property.

They will not charge any rent to the Hui Nalus and they will not make any definite lease, thereby keeping the property under their control.

They consider that the Hui Nalu members have been of great service to them and the public in general in the protection of the lives of bathers.

For a long time they have allowed certain members of the Hui Nalus the free use of the Moana Hotel bath houses.

They claim that the Hui Nalus are occupying the beach at this point constantly, and feel that if some of the men interested in the Hui Nalus can finance the erection of a suitable building for the use of the members, it is right and proper that the Hui Nalu should receive this consideration.

By exercising control of the uses for which said building will be used, both Mr. Young and Mr. von Hamm feel that they cannot and will not be anything objectionable to the Outrigger Club by their permitting the Hui Nalu the opportunity of the use of a building, instead of the beach only.

I understand that both Mr. Harold Castle and Mr. Alfred Castle are members of the Hui Nalus and are both interested in the carrying out of this proposed plan, and would suggest that you get in touch with them and take the matter up and see if it is not possible to have this plan go through (assuming that it is going to be carried out) without disagreeable feeling on either side.

Yours very truly
