

## 2016 Amendment to the Outrigger Canoe Club Bylaws 2016-02-29

The Board approved placing a Bylaw revision proposal on the ballot for the 2016 annual meeting expanding the age of the Associate Student category from 26 to 29. The change is to Section 30, Associate Student category to read ...”persons 18 through 29” instead of the current “18 through 26”.

Raising the age by three years helps to accommodate student members pursuing advanced degrees. The financial impact of this is minimal due to the small number of members this effects.
