

Special Race At AAU Meet

The special 50-yard dash event in the AAU track and field championships to be held Saturday at Alexander field, is being sponsored by T. Clifford Melim.

He has done this for years, and will present medals for first, second, third and fourth places in this event as usual.

Lai Tin, Charles En Sue, S. McKenzie and "Bill" Rice jointly held the record in this event for many years prior to 1918, fifteen years to be exact. In 1918 Melim, running under the colors of the Outrigger Canoe club, broke the existing record, hanging up a new time of 5.2 seconds which has stood to this day.

Every year Melim offers a special trophy, in addition to the medals, to anyone breaking his record. He is doing the same thing this year, and will be on hand as usual to congratulate anyone breaking his mark. This year he is offering the trophy even if the record is not broken, as long as the winner equals his time of 5.2 seconds.
