

Talking about comebackers, the boys from Midway sent back a sizable delegation. **Dick King, Frank Donohue and Dean Duisenberg** were among the furloughers after three months of Midway privation.

**Belle Belloni** is due for a trip to the mainland this Friday. Belle hasn't been away for so long that she doesn't know what California will look like after all these years.

**Herb Fox** is also slated for a departure, which will be brief. He is planning to build the much heralded Fox Hole in Hawaii!

**Helen Donohue** is among the recent arrivals in the isles who has decided that she would linger awhile longer. So deciding she has taken an apartment in Malihini acres. As to Helen's reason; that certain officer on the USS Portland had a lot to do about it, I can say.

**B. J. Thurston and Vinnie Payne** are the holdouts on the beach front
