

Outrigger Club Building To Be Started Soon

(Continued from Page 1)

eons, teas, late suppers, private parties, bridge and other indoor games. Immediately adjoining will be a large open deck for sun bathing, which may be used on occasion for dining and entertainments. Catering facilities, service and cuisine will be available.

On the mauka side of the property with entrance from Kalakaua avenue will be the new bathhouse with ample locker room accommodations for men, women and boys, with commodious lockers, hot and cold showers and complete service with attendance.

Game Courts

The play area, located in the center of the property, will have courts for volleyball, handball, paddle tennis and badminton. This section will be attractively landscaped, while furnishings and decorations throughout will be typically Hawaiian.

For 26 years outrigger and surfing activities at Waikiki have centered around the Outrigger Club and the organization has been given credit for keeping the real Hawaiian water sports in existence. It has developed swimming champions who have brought honor and fame to Hawaii in national and world meets. It has been instrumental in keeping Hawaiian atmosphere and tradition alive in Honolulu and Waikiki, and has become almost as famous a Hawaiian landmark as Diamond Head.
