Military Draftees To Get Aid From Federal Housing

Men of military age may continue to buy, build or modernize their own homes under the Federal Housing Administration Act. We are amending our regulations so as to bring this about. During the emergency the

KNOWN THE WORLD over this famous club where champions in swimming and other aquatic sports have been developed will soon move into a brand new home as shown in the illustration from a sketch by the architect C. W. Dickey. In the background are shown attractive stores and shops fronting on Kalaheo avenue. The contractors are rushing the project to completion. Outrigger club members are enthusiastic over the new layout, modern and up to date in every respect.
