

# Outrigger Canoe Club

## *Attention Members*

The Management of the club wishes to inform all of its members that, starting Monday, July 14th, the club lounge and dining room will be closed on every Monday thereafter.

Due to the shortage of help to operate the kitchen efficiently and to give the proper service to our members this step has to be made, and hope it shall not be for a very long period.

Signed,  
J. S. BOWDEN,  
Manager.
