

# 'Angelo' To Open Fruit & Vegetable Mart at Waikiki

Angelo Cincotta will open at Waikiki, in the new Halehawaii building in front of the new Outrigger club, a fruit and vegetable store dealing in island and mainland products and specializing in gift baskets. A complete line of frosted foods will be handled in a special refrigerated case.

"Angelo," as he is called by his customers, has been in the fruit and vegetable business since he was a boy of 14 when he started to work for his father in New York. He went to the Pacific coast in 1919 to work with his brothers in California. In 1928 he came to Honolulu to work for May's market.

Six years ago he went into business for himself and took over the fruit and vegetable department at Piikoi and Beretania Streets. He will operate this market and his new place at Waikiki. Angelo invites his customers and friends to come on and after Tuesday to see his new market.
