

Swank Outrigger Club Holds Preview Feb. 15

McFarlane Announces \$85,000 Club's Opening

Waikiki's new Outrigger Canoe Club will officially open for members and their families Feb. 15, according to an announcement yesterday by Walter J. Macfarlane, president.

Mr. Macfarlane, who has been the guiding force and responsible for the two-year building and membership drive, made a special statement paying tribute to the

people of the community and others on the mainland for their "generous assistance and patience while the job was being completed."

Rather than hold the long-awaited opening for a later date, Mr. Macfarlane in a letter to the 900 new members, said the plan is to open the new \$85,000 club in two stages.

The first will be a preview opening Saturday afternoon, Feb. 15, for members and their families.

The second and official opening
