

## HONOR TO WHOM HONOR IS DUE

Editor The Star-Bulletin,

Sir: It is generally believed that the founder of the Outrigger Club was Mr. Alexander Hume Ford whose interesting and informative reminiscent-sketches are appearing in the Star-Bulletin.

If this is true—we feel certain it is—we hope that arrangements have been made to recognize his early efforts and to honor him at the formal opening of the club in March.

Yours truly,

VERNON DURELL

(Editor's Note: The suggestion is timely. Mr. Ford's part in founding the Outrigger club was mentioned in an article on Outrigger club history in The Star-Bulletin last week. This thought is herewith referred to the Outrigger club officers and directors.)
