

# Los Angeles Builder May Open Office Here

Myers P. Butte, secretary-treasurer of the Pacific System Homes, Inc., of Los Angeles, is vacationing at the Moana hotel.

His visit is for both business and pleasure. Following his survey of business conditions and opportunities in Hawaii, it is possible his firm may open a branch office in Honolulu.

Mr. Butte is president of a subsidiary firm, the Waikiki Surf-Board Co., which manufactures many of the surfboards used at Waikiki. These boards are now sold exclusively to the Outrigger Canoe club.
