the mauka section of the property while the dining room and bar are in a separate structure on the beach. This building includes a large sun deck and lanai, as well as space for canoes. Lockers for surfboards are located in the grounds between the two buildings. A gymnasium, now being equipped, occupies the upper story of the office and locker building.

There are two volleyball courts and space for table tennis and other games. In addition to the bar and dining room the club operates a soft drink and sandwich counter for members.
