

Outrigger Club To Open June 11

Opening of the new Outrigger Canoe club in Waikiki will be held June 11, Kamehameha Day, with a celebration highlighted by canoe racing, surfing and other sports and a gala dinner dance, club officers said today.

An informal preview of the new Outrigger club buildings and improvements was held February 16. Club facilities have been in use since January, but the finishing touches are just now being applied, officials said.

Kamehameha Day activities featuring the opening of the club will start at noon and last until midnight. Sports and athletic contests in the afternoon will precede a dinner dance during the evening.

Walter J. Macfarlane is president of the Outrigger Canoe club. J. S. Bowden is manager.
