

Beach Sports Program On

Kamehameha Day is being celebrated today in a special way on the beach and in the surf fronting the new Outrigger Canoe club.

With Outrigger members celebrating the formal opening of the remodeled club, canoe races, surfboard contests and paddling tournaments get underway at 2 p. m., lasting through 5.

Feature of the afternoon is the open surfing contest slated for 2:30 p. m.

A six man canoe race starts at 3 p. m. Following the canoe race, a special girls' surfboard riding and paddling competition is scheduled.

At 4 p. m., a four man canoe race starts from the shore, paddling around the buoy outside the break, riding a single wave and paddling to shore to win.

At 4:15, elimination and finals in the six man canoe tug of war will wind up the program of action.
