

# Crown New Surf Champ

---

They crowned a new surfing champ at Waikiki beach Thursday on the beach sports day program.

Allan (Turkey) Love defeated last year's titlist, Sam Kahana-moku, in the feature William Leeds' championship paddle.

Again in the open surfboard riding, Turkey topped another fast field.

Love's victory yesterday won him a leg on the prized William Leeds' championship trophy.

Helen Duryea was first in the women's surf riding event. Charlotte Worrall came in second with Ethel Kukea.

Blue Makua piloted two winning crews in both the four and six man canoe team races.

The program was run off near the Outrigger club site.
