

Fischer Wins At Waikiki

Surfboard sailing races promise to be one of Waikiki beach's most popular sports.

This was the opinion of hundreds of spectators at the Outrigger Canoe club following Sunday morning's competition for the Walter F. Macfarlane trophy.

Gordon Fischer, who specializes in this pastime, sailed his board around the course in 35 minutes, just a minute ahead of Al Pettingill.

Harry Carvalho was third with Chris Waite.

More races will be held in the future.

Motion pictures of the race was taken by Fox Movietone cameramen.
