

# Outrigger Club Plans Dances

The entertainment committee of the Outrigger Canoe club has announced the first of a planned series of dinner dances to be held in the club's attractive Lauhala lounge. The date is November 10—the night before Armistice Day—and members are urged to make early reservations since an early response indicates a large attendance.

Music will be by Henry Spencer's Haleiwa hotel orchestra, and the catering is under the personal supervision of Manager Henry de-Gorog.

Another fashion show will be held on November 18, following a luncheon.

Arrangements are being made and will be announced soon of a series of bridge parties, a chess tournament and other activities.
