Members of the Outrigger Canoe club will observe their first birthday in the new building on February 14 with a program of entertainment, dance and dinner, the board of directors announced today.

The occasion will be marked with only club members and their guests in attendance. The event is listed to start at 1 p. m. Reservations will be taken for luncheon which will be served at noon and dinner beginning at 4 p. m.

Many new applications for memberships have been received during the past several weeks and it was stated that officers in the service and their families are invited to join the famous Waikiki beach organization.

The directors wish also to call attention of all men in active service of the armed forces of the United States that they are welcome to use the many recreation and other facilities at the club.

Members are working in cooperation with the United Service Organization (USO) in encouraging service men to visit the club headquarters. There are dances on Wednesday afternoons and attractive girls are available for dancing partners.

Sandwiches and other refreshments are served daily with the exception of Saturday and Sunday, when the clubhouse is closed to service men and used only then by members and their friends.
