

## A DAILY SWIMMER'S SUGGESTION

**Editor The Advertiser:**

Residents of Waikiki between Beach Walk and Uluniu street had only one "public right of way" to the beach—the one at the Moana hotel—Diamond Head side. This has been closed by the military and, unless one is a member of the Outrigger or Uluniu clubs, only the way at the Moana bathhouse (ewa of the hotel) is open, but not early enough for a morning swim or late enough for an evening swim.

Couldn't this ewa-of-Moana entrance be made a "public right or way"?
