## **Walter Macfarlane Ill In Oakland**

**OAKLAND, Cal., May 28. (AP)—**Walter K. Macfarlane of Honolulu was described today by friends as "seriously ill" in a hospital here, where he is undergoing treatment for typhoid fever. He became ill while traveling.

---

Mr. Macfarlane, former member of the territorial house of representatives, and son of Senator Alice Kamokila Campbell of Molokai, is with the advertising firm of Bowman, Holst, Macfarlane, Richardson, Ltd., here. He left about a month ago to visit his wife, who is living with her parents in Mexico City.
