

# Outrigger Club Plans Festivity For Kam Day

In observance of Kamehameha Day and also the second anniversary of the opening of the new club buildings, the Outrigger Canoe club plans an afternoon of activities June 11.

Events will open with outrigger canoe races and volley ball contests.

Each year both kamaainas and newcomers participate in the sports events. Many familiar faces of peacetime days will be at the club either participating in the events or joining as spectators.

## Canoe Races

Among the participants in the canoe races will be Duke Kahanamoku, Charlie Amalo, Willie Whittle, Tommy Arnott, Tommy O'Brien, Henry De Gorog and others.

A dinner-dance will be held starting at 5:30 p. m. Music will be furnished by Elmer Lee and his boys and by the Outrigger Serenaders.

Honored guests for the evening will include the Misses Barbara Eaves and Sissy Fuller, who were day and night queens, respectively, on Lei Day.

## Volleyball Contest

As a followup to the Kamehameha Day events, another volley ball contest will be held Sunday morning. Three teams will compete, and the team which wins two games will receive a trophy.

Leaders of the volley ball teams are; Duke Kahanamoku, captain of the married men's team; Lorry Chiswick, leader of the single men's team, and Peter Howell, captian of the juniors.
