WALTER MACFARLANE

Memorial Races

The Late
"Walter Mac"

On Friday, June 4th, Walter Innes Macfarlane died in California. He was long associated with the Outrigger Canoe Club. He confronted a problem which many to less distinguished men would have avoided. Mr. Macfarlane, with indomitable determination and optimism, started to plan the framework and building of a new and modern club. Mainly due to his work and energy the Club grows, well financed, and will stand as a living monument to the memory of Walter Innes Macfarlane.

July 4th will be in Walter Macfarlane's honor. The Walter Macfarlane Memorial Canoe races will be held annually in memory of Mr. Macfarlane. The club was very close to him and he loved the canoe and surf. We dedicate this day to him.
