

Outrigger Club Lei Day Dance Monday Evening

The Outrigger Canoe club will give a dance for members and guests to celebrate Lei Day Monday from 5:30 to 9:30 p. m.

A popular Hawaiian orchestra will furnish music for dancing and entertainment and there will be refreshments served.

In order to enjoy a real old fashioned good time, men attending will wear aloha shirts and slacks, and ladies will wear informal sportswear or holokus.

Members wishing to attend must make their reservations in advance with the club manager, as the club can accommodate only a limited attendance.
