

Outrigger Club Summer Events

The junior members and younger set of the Outrigger Canoe club had a Dinner Dance Wednesday from 5 to 9 p. m. on the sun deck of the club.

The club was set aside especially for the young folks, and many of the younger members and their service men friends took advantage of the opportunity for a good time. After dinner there was dancing, with music furnished by the club's orchestra. Most of the girls wore leis and the atmosphere was colorful and gay.

The Dinner Dance is the first of its kind exclusively for the younger members, and its success predicts more in the future. The entertainment committee plans to make monthly affairs of them.

The Walter Macfarlane Memorial canoe races will be held July 2. The annual event was first instituted in 1943, and the Matson Navigation club set up a perpetual trophy in memoriam to the late Walter Macfarlane, who contributed greatly toward building the new club. Winners of the six man canoe race will be awarded the trophy, and other types of races will be held for juniors and seniors at the event.

A Fourth of July celebration is coming up, and another dance is scheduled, similar to the Lei Day dance, which was met with a hearty enthusiasm by all who attended it.

Members will also have a formal dance July 7. Plans for this are still being completed.
