

Firemen, Outriggers Win In Volleyball

The Junior AAU-YMCA volleyball got off to a very good start at the Central Y gym when the Firemen nosed out the Policemen in three sets—16-18, 15-5 and 15-11 in the opener, and in the nightcap the Outrigger CC trounced the Coast Guard Cutters in two sets—15-4 and 15-3.

#

The Firemen - Police game turned out as expected, for the teams were evenly matched, except for the fact that the Cops committed too many fouls and errors. The Fire-eaters fought an uphill battle in the first set, working themselves up from a 5-13 score to tie the set at 14-all. Needing two points to win the set, the Cops staged a rally to take the set 18-16.

WIN SECOND SET

The Firemen came back in the second set and won as they pleased. The final set was nip and tuck and with the score tied at 11-all, the Firemen staged two rallies and took the set 15-11, cinching the game.

For the Firemen, Percy Manaiapo and Mahiko stood out with their steady playing, and for the Cops, William Sarino, Albert Choy and Ah Num Ho played a good game.

#

In the second match the Outrigger Canoe club proved too strong for the Cutters, winning all the way. The Cutters need more practice in handling the ball.

A large crowd turned out for the game and the gym was jammed to capacity. The volleyball committee will see that more seats are erected for the benefit of the public.
