

14 Events For Canoe Races

The second annual memorial outrigger canoe races will be held at Waikiki on Sunday, July 2. These races are conducted by the Outrigger Canoe club on the beach at Waikiki and are in honor of the late Walter McFarlane, past president of the club, territorial member of the House of Representatives, advertising executive and friend of all interested in aquatic sports.

Trophies have been provided by prominent Honolulu firms who are interested in the perpetuation of the truly Hawaiian sports of outrigger canoeing and surfboard riding. The entrants for the various events, fourteen in number will bring together the best talent in the islands, both civilians and members of the armed forces.

These races inaugurated in 1943 will be held annually under the auspices of the Outrigger Canoe club and from the interest shown by entrants, sponsors and others they will grow in size, importance and interest each year. In future years when transportation is available efforts will be made to have teams from all the islands participate in order that these races become annual championship events.

Canoes used in the races are racing canoes, used only for this purpose and having historical and exceptional value as the art of building racing canoes seems to have been partially lost. Those witnessing these events will see a part of old Hawaii brought back from the past and assuming again the major importance that it richly deserves.

Races begin at 11:30 and will continue throughout the day until finished.
