

# Aquatic Program At Waikiki Sunday

Though Regatta Day falls on Saturday, September 16, the famous Outrigger Canoe club will hold a series of events on Sunday, September 17, to celebrate the day.

The water sports will be a series of semi-humorous events featuring thrills and spills. All of the program will be held in the water immediately in front of the club and will start promptly at 10:30 a. m. These races and contests will be of interest to the public as well as club members and all are in-

chance to see the big leaguers in action.
