The blue ribbon competition of the program is the Castle race for men. This is over a mile and a quarter distance and many of Hawaii's long distance swimmers are expected to enter.

Mr. Harris said that it is going to be surprising when entries pour in for the men over 40 public baths race.

**It's about three fourths of a mile long," Mr. Harris explained, "and that's easy. Many of our oldtimers in the club swim that distance with ease. From our club alone we should have a dozen entries."**

All the events are open to public. Entries will close November 17 with Mr. Harris at the Outrigger Canoe club. The races begin at 10:30 a.m. November 22.
