

Outrigger Canoe Club Holiday Festivities Are Being Planned

A series of events to celebrate Independence Day has been arranged by the Outrigger Canoe club.

Outrigger canoe races sponsored by the club will start at 9:30. This is an annual event called the Walter Macfarlane memorial races honoring the memory of Walter J. Macfarlane, former club president, whose unfailing spirit and energy was largely responsible for the rebuilding of the Outrigger Canoe club.

From 2 to 5 music and entertainment will be provided on the club grounds.

Culminating the day's activities will be a buffet dinner dance beginning at 7:30. The ladies will wear holokus and the men have been asked to wear sports clothes and aloha shirts.

Hawaiian music will be provided and entertainment will be hulas, songs and music with impromptu entertainment by club members and their guests.

Other parties for club members have been planned. A steak fry will be held on the beach and Hau terrace the latter part of July and those attending are asked to wear old clothes.

In the opposite vein, a formal dinner dance is scheduled for late July or early August. Announcement of time and place will be made later.
