

Outrigger Canoe Club Entertainment Notes

The last Hau Terrace impromptu party this year was held on November 21. These parties have been most popular all through this past year with members and their guests.

On December 6 a large Hekka party is planned for members and their guests. Reservations for this party are to be made in advance at the front desk or by phoning Manager Gay Harris' office.

Rennie Brooks and the Outrigger Canoe Club musicians and entertainers have a big evening planned.

Mr. Harris is at the service of any and all members who would like to arrange private parties complete with music or just a little dinner party.
