

Outrigger Dance

A dinner dance will be given May 21 at the Outrigger Canoe club to promote a series of athletic competitive events with the Jonathan club of Los Angeles.

The affair will be informal. It is to develop a fund to entertain the visiting squad from Los Angeles, expected here in late July or early August.

Special entertainment will be offered during dinner from 6:30 to 8:30 and will also be presented during dance intermissions. A service orchestra will contribute music for the occasion.
