

Koolaupoko Regatta Day Slated Sept. 5

The first annual Koolaupoko Regatta Day will be observed Sept. 5 at Kailua beach, it was announced by Val Marciel, chairman of the Koolaupoko Lions' Club committee in charge of the festivities. The regatta will be sponsored by the Koolaupoko Lions' Club and its civic improvement committee.

The regatta is being held to show the club's appreciation of the efforts of the parks board in developing Kailua park and making available to the general public its outstanding beach.

Entries are assured from the Waikiki Surf Club, Hui Nalu, Kuhio Surfers and possibly from the Outrigger Canoe Club. The regatta will feature Hawaiian canoe races, surfboard races and aqua-planing.

It is hoped that the regatta will aid in reviving ancient Hawaiian sports. The Kailua Business Association at a recent meeting voted 100 per cent support to the project.
