

Regatta Slated Labor Day at Kailua Bay

To help revive ancient Hawaiian sports and to express appreciation of the efforts of the parks board in developing Kailua park, the Koolaupoko Lions club will sponsor windward Oahu's first regatta September 5 (Labor Day) in Kailua bay.

An all day sports extravaganza has been outlined for both residents and visitors to windward Oahu.

Here is the day's program:

1—Bicycle races for freshman, junior and senior boys, with the first race tentatively set to get under way at 8:30 a. m.; races to terminate at Kailua beach park.

2—Regatta races plus surfing, canoeing and water polo to start at 10 a. m. near the mouth of Kaelepule stream and to end at a point near Kailua Extension Rd., directly behind Kalapawai store.

3—Horse racing at 2:30 p. m. sponsored by the Oahu Jockey club at the Kailua tracks.

4—Evening dance at Kailua pavilion, plans for which are still in a tentative stage.

Presidents of clubs affiliated with the Hawaiian Golf association are being invited to play with other guests at the Lanikai links of the Mid-Pacific Country club. A luau will climax the day's golf program.

Numerous trophies and appropriate prizes will be offered winners in the day's athletic events.
