

**READY TO PUT THE CANOE** into the water are, left to right, Pat Shanahan, Barbara Blom, Bobbie Purvis, Emmy Lou Hayes and Mary Bagby. The group entered a girls' canoe race Monday at the annual Junior Day held at the Outrigger Canoe club. With the exception of Bobbie Purvis, who attends Miss Porter's school in Farmington, Conn., all the girls are vacationing from local high schools. Regardless of where the boys and girls have been spending the winter, they're all found daily at the beach during the first few weeks of vacation.
