RUMORS DENIED OF LOU BOUDREAU GOING TO CHISOX

CHICAGO, Sept. 5 (AP)—General Managers Frank C. Lane of Chicago and Hank Greenberg of Cleveland denied yesterday rumors that Lou Boudreau would become the White Sox skipper next season.

Both Lane and Greenberg admitted they talked before yesterday's doubleheader, but denied discussing the Boudreau question.

"There is nothing to it," Greenberg said. "Yes, I talked to Lane, but we merely discussed some players both the Indians and White Sox have in their respective farm systems."

Lane, recently returned from a tour of Pacific Coast league cities, supported Greenberg's statement.

The San Francisco girl had hoped to beat the Gate swim record of 20 minutes 44 seconds, set in 1924 by Walter Pomeroy.
