

FROM A. E. (TOOTS) MINVIELLE, JR., well known local sportsman and a driving force behind canoe racing in the Islands:

Dear Red: Now that the season and series of outrigger canoe races (a typically Hawaiian sport and activity) is over and was finished with a very successful and entertaining group of races, I believe it is in order to congratulate the officials of the Hawaiian Canoe Racing and Surfing Association for their unselfish efforts, time and work devoted to promoting this type of sports activity.

Especially do I compliment **Herbert M. Dowsett**, a great yachtsman and a wonderful sportsman who has spent freely of his time and fortune in connection with canoe racing. Any club should consider itself fortunate to have Mr. Dowsett on its membership roll.
