KAILUA, Kona, Hawaii, July 25 (By Radiophone) — More than 8,000 Islanders and tourists ringed the sea walls of Kailua Bay and jammed Kailua pier today to watch paddles flashing to victory in the second outrigger canoe racing championship.

First boat to finish in the first race, the boys under 13 class, was the Honaunau crew of Kona. But Honaunau was not counted officially in the race because its steersman, B. Apiki, is 13 years old.

Disqualification was decided on at a meeting of the Hawaiian Canoe Racing and Surfing Association held Thursday night at which Kona club officials discussed this and other matters heatedly.

Official winner of the boys under 13 class is the Kai Opua crew which finished the quarter mile in 2 minutes 15 seconds.

Healani and Hui Kalia finished third and fourth.

The boys under 17 race was won by Waikiki Surf Club in a closely fought battle. The Waikiki crew paddled to victory the canoe Lanakila—a canoe that once laid idle 10 years under Konawaena School.
