# Outrigger Will Revive Castle Swim

The Outrigger Canoe Club will revive the Castle swims on Thanksgiving Day, Nov. 26, off Waikiki beach.

Chairman of the OCC swimming committee is Toots Minvielle, who announced that the blue ribbon event will be a 1⅔ mile swim from the Elks Club to the Outrigger in the men's open division.

A men's event over the same distance and a women's race from the Waikiki Natatorium to the Outrigger is scheduled for OCC members only. Boys and girls' events for OCC members are also planned and if there is enough interest, other open events will be added to the program.

The program is tentatively scheduled to start at 10 a.m. on Thanksgiving Day.

Entry blanks are available at the Outrigger. Further information may be had by calling Minvielle, 68096.
