In the SURF

By SARAH PARK

Waikiki Surf Club members are watching with interest the plans of their cousins of the Outrigger Canoe Club for night surfing this Monday night, from 9 to 10 p.m.

The Outrigger is making extensive lighting plans which will make it possible for the public to see the surfers as they slide in on the waves.

The Surf Club revived the sport of night surfing this past summer, but unfortunately, didn't have the wherewithal to provide lighting.

Good luck, Outrigger, on carrying the ball.

Hope you have the waves too!
