In the wake of a revival of interest in Hawaiian outrigger canoe racing classics comes a revival of open-water swimming competition.

THIS THANKSGIVING DAY vacationers may watch the islands' most powerful swimmers speed through the surf from off Diamond Head to Waikiki beach.

Highlight of the meet is the Castle swim from Castle surf to the resort hotel area. Early Castle Swims attracted such athletes as Duke Kahanamoku and Buster Crabbe.

So successful has been the rekindling of interest in outrigger races that visitors may see them almost any time of year.
